25X1  4. Ca 7 February, the barracks installation in Loebstedt was occupied to capacity by soldiers wearing red-bordered black epaulets with artillery or tank insignia. Ch 5 February, about 1,000 soldiers left the installation for an exercise.  25X1  25X1  5. Cn 7 February, the Forst Kaserne west of Otto Schott Platz northwest of Jena-Lichtenhain was occupied almost to capacity. In 1952, the installation had been reconditioned with hasto. From 4 to 7 February, 10 Al guns were seen in the barracks yard.  6. On 7 February, the Jena-Ruedigen airfield appeared to be heavily occupied.  7. On 7 February, the Thueringer Ackerbauschule on the east side of Haumburger Strasse was not occupied. 4  25X1  Comment. The information confirms that the barracks installation in Zwaetzen is still occuried by the 63th Gds Hv Tank SP Regt (US)  25X1  Comment. The information is the first to indicate that the Forst Kaserne is occupied almost to capacity by Soviet troops.  It had previously been believed that the installation quartered a VP unit in addition to a small number of Soviet troops for joint practices. Soviet and VP soldiers had been seen training together on six light AA guns behind the installation in Lee November 1952. It could not be determined whether those use belonged to the 2504th Gds AAA Regt (US) of the 20th Gds Mecs Div or vere furnished for training by the VP.  25X1  Comment. A Soviet armunition dump and ration supply depot had hitherto been carried located at the Roedigen sirfield.  15X1  15X1  15X1  15X1  15X1  15X1  15X2  15X2  15X3  15X4  15X4  15X4  15X4  15X4  15X4  15X4  15X6  15X6  15X6  15X7  15X8	25X1
